

THE BOSS HAT *Programme*

LOOKING AFTER YOUR HAT

Part 2 - Lesson 5 - Systems

What systems do you currently use in your day?

Are they working for you? Yes/No

What new systems do you need in place?

For your team?

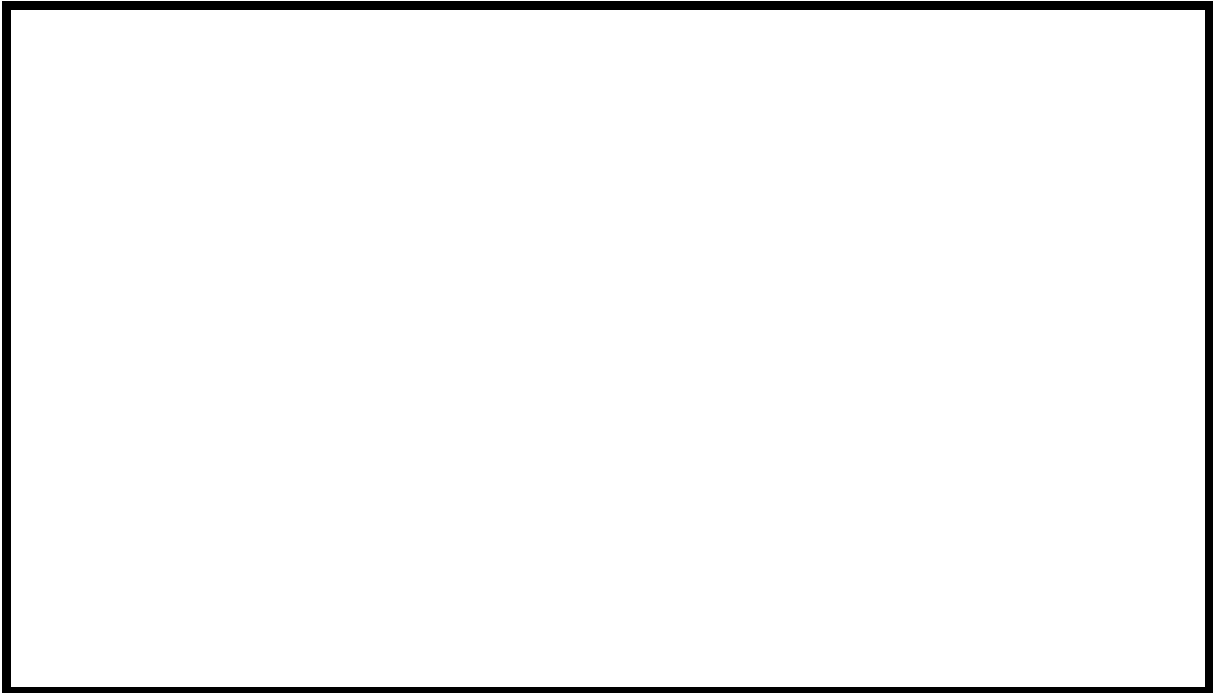

What irritates you about your email?

A large, empty rectangular box with a thick black border, intended for the user to write their response to the question above.

What can you put in place to stop this from happening?

A large, empty rectangular box with a thick black border, intended for the user to write their response to the question above.

What systems do you need to put in place for you?

NOTES:
